RE: My Client: Joe Patrick
Proposed Tower Owner: United
States Cellular
Case No. 97-006
Whitley County, Kentucky

To Whom It May Concern:

The undersigned attorney represents Joe Patrick and has been asked by Mr. Patrick to lodge this objection to construction of the radio tower on the property owned by Fate and Melinda Cox on Wolfe Creek Road in Whitley County, Kentucky. The undersigned owns adjoining property the value of which will be diminished if the radio tower is constructed. Also, the tower will significantly interfere with mining operations Mr. Patrick conducts on his property.

Please be advised that the above Joe Patrick, an adjoining landowner, strenuously objects to the erection of the proposed tower next to his property.

Sincerely,

Wesley R. Tipton
